

# Team Signup Form

## About RYAA

Thank you for considering forming a team for the Ravenswood Youth Athletic Association (RYAA). RYAA is a Christ centered organization that seeks to develop faith, character and families in our community. Your help and cooperation as a coach will be very important.

Games will be started with a short prayer, and afterwards both teams will come together, share snacks, and share some positive comments about each other's players. Prayer requests will be taken, and a short prayer will be said. Your help in establishing this ritual will go far to developing a positive atmosphere in our community and in the league. If you do not want to pray, please find another parent, or administrator, to conduct the prayers.

RYAA is also a development league. Team sizes are limited so that every player can play at least 3/4 of very game. There will be an advanced league, and a beginner league. Whole teams can only be entered into the advanced league.

## Directions

Please fill out the the following for your team:

- The form on the other side of this paper.
- The Volunteer Application for yourself. Please be very thorough.
- An application for each player. Please be sure each application is completely filled out.
- A Parental Agreement form. Note that this form has a side for English and a side for Spanish.

Turn these forms in together if possible with the registration fee of \$40 per player. If you do not have a complete team, you can turn in a partial team, and we will add players to your team.

## Scholarships

There are a limited number of scholarships available. Each scholarship player will be expected to work on the field to help set up at the beginning of the day, or cleanup the field. If a scholarship player does not show up for work, he/she will not be allowed to play the following week.

## Training

All coaches must attend a mandatory orientation meeting on Saturday, September 9. Location and time will be determined later, and we will contact you.

Please feel free to call me, or email me for more information.
